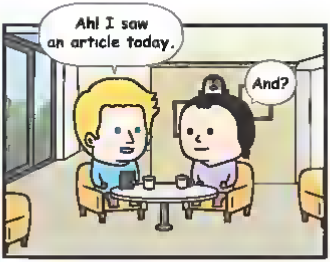
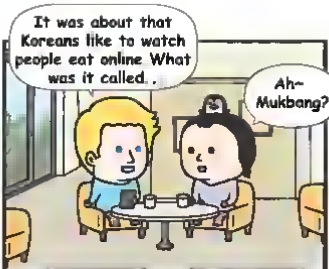
Penguin Loves Mev In the UK

Muk Bang

*Eating food show

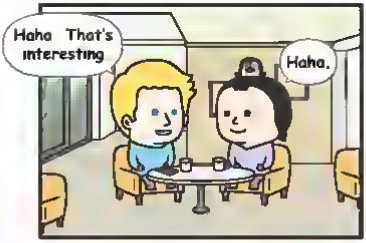


One day.

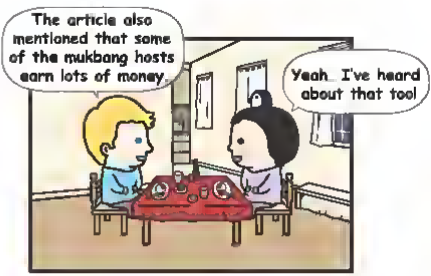


We talked about Mukbang,
which is a type of show where people show others that they're eating something

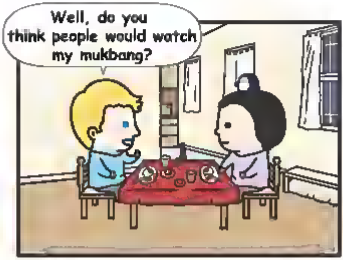
Mev came across Mukbang from the article.



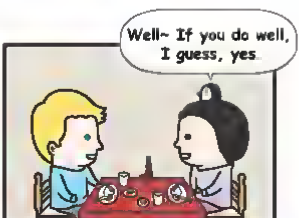
He seemed very interested by it.

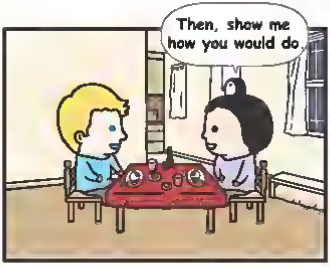


We talked about the show again while we had dinner.

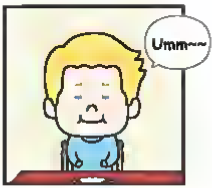


Mev thought about him doing the show.

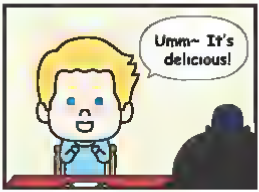




So Mev did a short demonstration show in front of me.



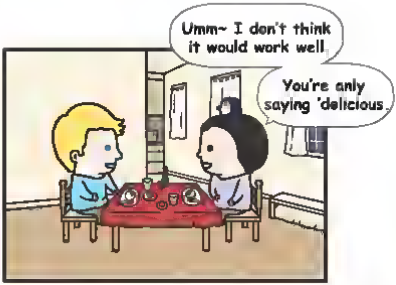
Umm~~

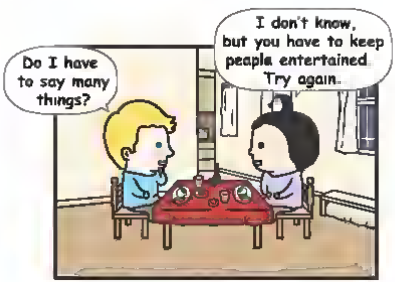


Umm~ It's delicious!

Mmm~
Very delicious!

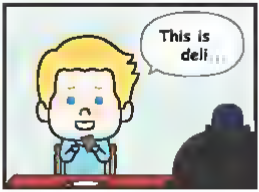
Really really delicious Why is it delicious? I think it's delicious!



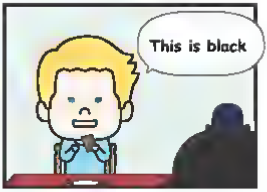


Then, his second try.

Wow~ This is seaweed. I'm going to eat this!

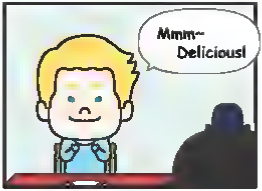


This is deli...

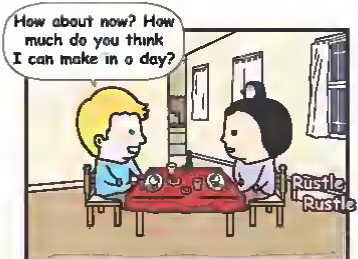


This is black

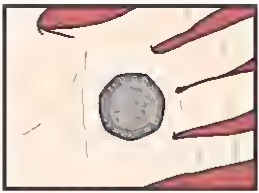
Rice is white
Kimchi is red



Mmm~
Delicious!



How about now? How much do you think I can make in a day?
Rustle Rustle



20P

To make 50 pounds,
he needed to film 250 mukbangs.
